Deputy Director Designate
Central Intelligence Agency
Washington, D. C. 20505

Dear Mr. Knoche,

It is so very good to see the
first string men finally begin to
see some action.

Rosemary and I extend to you
our best wishes on your assumption
to a richly deserved position.

I am taking the liberty of
enclosing the local paper's treat-
ment of your nomination.

Good luck.

Very sincerely,

William B. Lutz
